## S.E.T'S COLLEGE OF PHARMACY

## BRIEF PROFILE OF THE FACULTY

Name : Dr. Channabasappa S. Hallikeri

Present Designation : Associate Professor

Qualification :M.Pharm, Ph.D

Department : Pharmaceutical Chemistry

**Date of Joining** : 01-01-2011

**Teaching/Research experience** : 12 Years

Number of PG students guided :22 Students

Number of Ph.Dscholars guided: Nil

Total number of funding projects and amount received: 3.50.000=00

Number of publications:29 National:18 International:11

Number of conference presentations:15 National: 14 International: 01

Number of book chapters/books published: Nil

Membership of professional bodies: APTI

Areas of expertise in research: Synthesis and characterization of novel bioactive molecules,

Extraction, purification and isolation of bioactive molecules from natural sources.

Awards/achievements: Nil
